

Dear colleagues,

It is our pleasure to invite you to attend the *International Workshop on Women in Nuclear Fusion Technology*, which will be held during the ISFNT-15 in Las Palmas de Gran Canaria.

This workshop is organized by Women in Fusion and Women in Nuclear Spain and supported by Ayuntamiento de Las Palmas de Gran Canaria.

This event will take place on **Monday, 11th SEPTEMBER at 16:15h in Cámara Hall**, and we count on you to be part of this session with the following agenda:

- Opening
- Interview: Yolanda Benito (General Director of CIEMAT)
- Dialogue Table: we will analyze statistics about the researchers participating at the ISFNT2023, among others. With the participation of:
  - Sehila M. González de Vicente (Clean Air Task Force- WiF)
  - Susana Clement (F4E)
  - Victoria Hypes-Mayfield (LANL)
  - Sandrine Rosanvallon (CEA)
- Moderator: Belit Garcinuño (CIEMAT – WiN Spain)

The workshop is open to all participants of the ISFNT-15.

Looking forward to seeing you at ISFNT-15 in Las Palmas de Gran Canaria (Spain).

With our best regards,  
Sincerely,

*Belit Garcinuño Pindado*
